county or metropolitan government departments which build and maintain the roads of the county. Candidates for this office in counties where the position is filled by popular election shall file affidavits and such other evidence as the board shall require with the board not later than fourteen (14) days prior to the qualifying deadline for candidates in the election. After review of the qualifications and the standards required for that county, the board shall certify to the coordinator of elections, who shall forward such certification to the appropriate county election commission, that a candidate's qualifications are acceptable prior to the candidate's name being placed on the ballot. A certificate of qualification from the board must be filed with the candidate's qualifying petition prior to the qualifying deadline. Candidates for this office in the counties where the position is appointed shall also file evidence satisfactorily demonstrating that they meet the qualifications to hold the office with the board prior to appointment to the office.

(3) Members of the board shall serve for a term of two (2) years. The appointee representing the secretary of state shall serve as the chair of the board. Upon the death, resignation, or removal of any appointive member, a replacement shall be appointed by the party representing the same area of interest as the member whose position has been vacated to fill the unexpired term of such member.

(4) No chief administrative officer of a county or metropolitan highway department who is subject to election or appointment as a chief administrative officer during the term of service on the board shall be appointed by the executive director of the Tennessee County Services Association to fill that seat on the board.

(5) The board shall only meet as is necessary to fulfill its duties. All materials or correspondence submitted to the board shall be received through the office of the coordinator of elections, who shall forward the materials or correspondence to the board. The board shall keep complete and accurate records of the proceedings of all their

meetings, a copy of which shall be kept on file in the office of the coordinator of elections and open to public inspection.

(6) Subject to the approval of the secretary of state, the board may promulgate rules to be followed by persons wishing to submit themselves for certification as qualified to seek the office of the chief administrative officer of the county or metropolitan highway department.

SECTION 2. Tennessee Code Annotated, Section 54-7-104(a)(1), is amended by deleting the language “the appointing authority or with the state coordinator of elections, when the chief administrator is an elected official” from the end of the first sentence in that paragraph and replacing it with “the Tennessee highway officials certification board” and by deleting the third, fourth, and fifth sentences from that paragraph.

SECTION 3 This act shall take effect upon becoming a law, the public welfare requiring it.
